## WHEAT BEER

**Bayerische Staatsbrauerei Weihenstephan, Hefeweissbier, Germany 16oz 9**  
*Nothing refreshes you more than this naturally cloudy wheat beer with its wonderful yeasty fragrance and taste. 5.4% ABV*

**Oakland United Beerworks, Apricot Cranberry Hefeweizen, Oakland CA 9oz 9**  
*Based on our popular summer seasonal Bavarian Hefeweizen, we've added the wonderful fall flavors of apricot and cranberry to balance the banana and clove flavors of a traditional Hefeweizen yeast. Think of it as a beer Bellini: crisp, refreshing and quaffable. 5.6% ABV*

## ALES

**Drake's Brewing Co., 1500, Pale Ale, San Leandro, CA 16oz 10**  
*A hop-forward American Pale Ale. For batch number 1500, Drake's Brewing Co. decided to brew a big hoppy beer, yet make it quaffable by keeping the alcohol level down. Loads of Simcoe and Amarillo hops are blended in the fermenter just after fermentation has finished to impart a huge aroma of pine and citrus. 5.5% ABV*

**Dogfish Head Brewery, 90 Minute, Double IPA, Milton, DE 12oz 10**  
*"Perhaps the best IPA in America." 90 Minute has a great malt backbone that stands up to the extreme hopping rate. This was the first beer Dogfish Head Brewery continuously hopped, allowing for a pungent – but not crushing – hop flavor. 9% ABV*

**Green Flash Brewing Co., West Coast IPA, Double IPA, CA 12oz 11**  
*Aroma's of sweet tropical passion-fruit, pungent grapefruit citrus and pine. Flavors of grapefruit zest bitterness supported by notes of dark caramel from British Crystal malt, finishes floral with dry woody hop notes. 8% ABV*

**21st Amendment Brewing Co., Back in Black IPA, San Francisco, CA 12oz 8**

**Lagunitas Brewing Co., Little Sumpin' Sumpin', Pale Wheat Ale, Petaluma, CA 12oz 7**  
*Way smooth and silky with a nice wheaty-esque-ishness. A truly unique style featuring a strong hop finish on a silky body. A hoppy pale wheat ale that is great for IPA fans but so smooth that the hefeweizen fans dig it too. 7.5% ABV*

**Federation Brewing, In the Weeds IPA, Oakland, CA 12oz 8**  
*A hybrid of an English IPA and American Pale Ale gives us this golden copper colored, easy drinking, aromatic IPA. 6.0% ABV*

**Sonoma Springs Brewing Co, Subliminal Gold IPA, Sonoma, CA 12 oz 9**  
*Our flagship IPA combines a crisp and refreshing malt build with a mix of amazing hops to produce distinct flavors of gooseberry, citrus, and passion fruit. This silky smooth brew is a creeper, enjoy responsibly! 7% ABV*

## MARZEN-GOSE-KOLSCH

## CALIFORNIA COMMON

- Anchor Steam Brewing Co., California Common, San Francisco CA 12oz** 7  
*It is a process that combines deep respect for craft brewing tradition with many decades of evolution to arrive at a unique approach: a blend of pale and caramel malts, fermentation with lager yeast at warmer ale temperatures in shallow open-air fermenters, and gentle carbonation in our cellars through an all-natural process called kräusening. 4.9% ABV*

## BELGIAN / SAISONS / FARMHOUSE ALES

- Brouwerij Bosteels, Tripel Karmeliet, Belgium 9oz** 13  
*Gold to bronze color, with a creamy head with abundant herbs and fruity aromas of banana and vanilla. This beer has not only the lightness and freshness of wheat, but also the creaminess of oats, and it also has a spicy, lemony dryness reminiscent of quinine. 8.4% ABV*
- Brouwerij St. Bernardus, Abt 12, Quadrupel, Belgium 9oz** 13

- Henhouse Brewing Co., The Dubularity, Dubbel, Santa Rosa, CA 9oz** 8

- Henhouse Brewing Co., Solo Blonde Ale, Santa Rosa, CA 12oz** 8  
*One of the most approachable styles, this blonde ale is an easy-drinking beer that is visually appealing and has no particularly dominating malt or hop characteristics. Rounded and smooth, it is an American classic known for its simplicity. 4.5%ABV*

## AMBER

- Half Moon Bay Brewing Co., Amber Ale, Half Moon Bay, CA 12oz** 7  
*A well-balanced, full-flavored amber ale. It has a rich, malty body with a pleasant caramel character from specialty Aromatic and Melonoidin malts. A complex hop aroma, with hints of floral and citrus from a combination of Summit, Cascade and Chinook hops. 5% ABV*
- Fort Point Brewing Co., Westfalia, Nuremburg Red Ale, San Francisco, CA 12oz** 8

Traditionally fermented at cooler temperatures, Westfalia's rotbier style showcases a layered malt profile that creates a smooth, satisfying mouthfeel, perfect for any meal or enjoyed on its own. Inspired by a trip to Nuremberg, Germany, Westfalia imports an exemplary red ale to audiences closer to home. 5.6% ABV*

Using wild wine yeast straight from the vineyard and pomace straight from press, we infuse this sour ale with Dry Creek Valley zinfandel skins. Tart and jammy, juicy but dry. It starts fruit-forward with notes of bright red berries and finishes with wood spice and soft tannins. Blur the line between beer and wine". 8.5% ABV*

First introduced in the winter of 1983, Bigfoot is a cult-classic beer brewed in the barleywine style, meaning a strong, robust, bruiser of a beer with the refined intensity of a wine. Bigfoot is prized by beer collectors for its supreme cellarability. 9.6% ABV*

## CIDER

**South City Ciderworks, Dry me a River, San Bruno, CA 9oz 8**  
*"This is our interpretation of an American dry cider. It starts crisp with light carbonation and finishes dry but not overly tart. We use fresh-pressed West Coast apples and ferment with a white wine yeast to retain a light apple nose but create a crisp finish. The name itself is meant to raise awareness on the drought and the challenges that face our natural habitat, but we've also heard several people sing it at events with the same melody as Justin Timberlake might. 6.9% ABV*
